

Dear Guests, welcome to Voronezh!

Our wonderful city is the capital of Central Black-Soil Region of Russian Federation. And it really deserved to be called so! For miles, forests and fertile lands surround it. This became the reason that the primary part of country agriculture is concentrated here.

But Voronezh region is famous not only for beautiful nature, but also for its cultural and religious heritage. Just walking down the streets it is possible to know a lot about history of the city, about people who live there.

We will be happy to introduce Voronezh to you, as we know it.

The unforgettable impressions are guaranteed!

«RUSSIAN BANYA» OR SAUNA AND BARBECUE (DINNER)

Russian Banya is an old Russian realia. It is the whole small world of the wide spread and ancient tradition.

Banya is very popular among Russians during long long time. Even "tsars" used to have their own luxury banyas. And only close people could go to banya with a ruler.

Russian banya is so-called - wet bath, where water is ladled over the hot rocks to "raise the spirits" (the stones are sprinkled with hot water to produce vapour and make the air humid) and

besoms are used for swatting oneself.

Generally, banya time ends with diving into the snow.
